Tukka, East End

## Cayman Kai, East End, North Side

Sipping a mango mojito on the dock at the **Lighthouse** or savoring a bite of lionfish ceviche at **Tukka's** in East End while watching the moon rise is what dining on Cayman's "quieter side" is all about. The food is excellent and the atmosphere is relaxed.

### Island Insider!

Rum Point is a great place to spend the day and the Wreck Bar has great food and drinks. Sunday afternoons can become crowded.

## Seven Mile Beach Fine Dining

The list of good restaurants is as long as Seven Mile Beach but we do have a few favorites. **Calypso Grill** is a bit of a drive but absolutely worth it! **Ragazzi's** is another favorite. For sushi with a little atmosphere we recommend **Karma** and if you're strolling in Camana Bay, **Ortanique** never disappoints.

## Island Insider!

Catch the catamaran at Safe Haven Dock and sip a cocktail while heading over to the **Rum Point Restaurant** on the north side of the island. Have dinner at Rum Point and then sail back under the stars. A memorable evening for children as well as adults. Phone: 1-345-947-9412

## Island Insider!

**Edoardo's** is the best pizza take-out if you have hungry mouths to feed and don't feel like cooking or taking the family to a restaurant. It's directly across the street from the Meridian condos. There's also a Foster's supermarket, Tortuga Liquors, and Paperman's coffee shop in the nearby Strand Shopping Centre

## CASUAL

### **The Sunshine Grill**

Sunshine Suites Resort across the street from the Westin Hotel. Very cute. You will love the fish tacos!

### **Sunset House**

A dive resort one mile south of George Town. Sit inside at **Sea Harvest** or outdoors at "My Bar," Cayman's famous thatched-roof bar.

### **Chicken Chicken!**

Best roasted chicken on the island! Eat in or take out. Jicama coleslaw, red beans and rice, roasted or mashed potatoes and gravy, pesto pasta salad. Located in West Shore Shopping Centre. Karma Restaurant and Subway are also located in this shopping center.
