Compliments of Silver Thatch Cayman, Guest Services

## We Recommend

### BUDGET RENTAL

Full selection from tiny 2 doors and Ford Escapes to Expeditions and Hyundai H-1 (9 Passenger) Vans.

### MARSHALL'S

Toyota Yaris, Mazda MPV, Hyundai H-1 (9 Passenger) Vans, 4-door Wrangler jeeps, other sedans. Child safety seats are complimentary.

Guests staying in Cayman Kai, North Side, or East End will need to rent a car or van. We encourage our Seven Mile Beach guests to consider a day trip to East End to see The Blowholes, or Bodden Town's **Beach Bubbles** for soaps made with Cayman's natural resources. Many of the best snorkeling sites are off the beaches of Cayman's North Side.

Please Don't Delay! We encourage you to make car or van reservations early along with your flight reservations. Call directly to confirm a reservation made through email or on line.

We drive on  
the left!"*

You don't have to be a diver to enjoy Cayman's aquatic wildlife. Pack your snorkel gear and take a drive around the island. Cayman has many snorkel sites near shore.
