Compliments of Silver Thatch Cayman, Guest Services

Hiring a Personal Chef

Grand Cayman, known as the “Culinary Capital of the Caribbean,” is home to many excellent chefs.

We have comprised an ever growing list of chefs and cooks who will prepare a delicious menu for you and your family for those times when you don’t feel like cooking or prefer to be served at home.

Hiring chefs is quite popular. We recommend calling at least 60 days in advance, especially during holidays. Please don’t hesitate. You may always cancel if you see your plans changing closer to travel time.
